## *In Scandal, as in Robbery, the Receiver is Always as Bad as the Thief.—Chesterfield*

### To Ale Voters Of Find-

#### lay Community High School District

Since the organization of the High School District, the inspectors from the University of Illinois and also those from the office of the State Superintendent of Public Instruction have insisted that the Board of Education make an effort to secure a suitable high school building for the District

Although handicapped by an inadequate school building, the Board of Education has to the present time, maintained a fully, ACCREDITED and regularly RECOGNIZED four year high school

doing two things: First, employ good teachers and keep them for a term of years; second. Provide these; The Board of Education teaches with an adequate supply of maps, charts, books, and reference material

In the early part of the present school year, the Board of Education of your district made application to the National Government for a grant and loan to assist it in its efforts to secure a suitable building for school purposes

This application was favorably considered by the Government and the grant and loan are now available for the district, subject, however, to the results of the election to be held on SATURDAY, JANUARY 19, 1935 for the purpose of determining whether or not bonds shall be issued for the purpose of erecting a new building.

In the judgment of both the State Inspectors and the Board of Education of this district there is a real need for a new building.

It is also the opinion of the Board of Education that it is now possible with Government aid to supply this need.

In support of the above statements the following facts are submitted for your consideration:

1. The high school district at this time has no school building of its own, but as you know, is renting the rooms on the second floor of the Findlay Grade School building.

The clerk's records show that from September 1928 to September 1934 that the high school district has paid as rent a total of \$5,530.86. The above does not include amounts paid for coal, lights and the usual running expenses.

2. The high school enrollment has increased to such an extent that the present quarters are now too small to accommodate the large assembly and classes.

The rooms are very small, poorly lighted and ventilated with no means of escape in case of fire and according to the report of the High School Inspectors, this is the only high school building in the State in which they find each room heated by a stove.

3. Unless some provision is made at this time to secure better accommodations, there is serious danger of our high school losing its Accredited Relations with the University of Illinois and its recognition by the State Superintendent of Public Instruction.

Such a loss would mean much to the district and to the high school students of the community.

4. The bonding power of the district is being exhausted by the Board of Education's failure to provide a suitable building for the high school.

### TRACKS and TRAINS

Conductor Jake Gallagher of Villa Grove, who is quite ill with high Mood pressure, planned to go to Florida for the remainder of the winter, but is unable to make the trip.

The 'C' & E Ry. will have a new Time Card soon, it is rumored.

Everett Sands has bid for the Villa Grove-St. Louis Local. It rains 55-66.

The Illinois Agricultural Service shipped 3 cars of soy bean hay to the State Emergency Relief, Omaha, Neb, the past week and 15 more cars.

Conductor Dad Henderson, who has been working on the South End line, has several years of experience doing two things: First, employ good side of Passenger Trains 121-122' teachers and keep them for a term with Brakeman Jack Bergen.

of years; second. Provide these; The C & E Ry. began switching the tracks with an adequate supply of equipment and reference material

They were in the equipment and reference material at Jasonville Mute School, spent the so that a type of class room. The Xmas vacation here with his grandfather, Mr. Leun, who works at the extent offset the handicap of an antiquated building.

In the early part of the present school year, the Board of Education of your district made application to the National Government for a grant and loan to assist it in its efforts to secure a suitable building for school purposes

### Will Be Home Soon

Friends of Miss Mellie Spicer are pleased to learn that her physical condition thinks she can come home from a Chicago hospital in three weeks permanently cured

### Entering Sparks College

Carl Thomas will enter Sparks Business College next Monday

tract for many years, can be built for an amount not to exceed \$58,000.

6. Of this proposed \$58,000, the National Government agrees to make an outright gift of \$16,500 to the district and loan the remainder, \$11 500, to the district at 4 per cent simple interest, subject, however, to an affirmative vote on January 19

7. The district would then be obligated to issue bonds to the amount of \$41500 The bonds would bear interest at 1 per cent per annum and would be retired in 20 years.

The Government offers to buy these bonds and furnish the money or permit the Board of Education to sell them elsewhere

8. Never before and possibly never again will we have the opportunity to obtain a new school building with the Government's giving outright 30 per cent of its cost and loaning the remainder 20 years at 4 per cent interest.

The Board of Education feels that it is duty bound to give the voters of the district an opportunity to take advantage of the Government's liberal offer.

It also feels that a matter of good business judgment, we should avail ourselves of the Government's unusual offer and give to the district this much needed building.

The voters are urged to give careful and earnest consideration to this question while the opportunity is being offered.

Should questions arise about this proposition or should you be in doubt as to any part of it, you are urged to consult with members of Board of Education.

The election will be held Saturday, January 19, 1935 at the Village Hall, Findlay, Illinois, between the hours of 7 A. M. and 5 P. M.

Respectfully submitted, THE BOARD OF EDUCATION FINDLAY COMMUNITY HIGH SCHOOL DISTRICT 190, SHELBY & MOULTRIE COUNTIES, ILLINOIS

### NOTICE OF ELECTION

Notice is hereby given that on the 19th day of January, A. D. 1935, an election will be held at the Village Hall, Findlay, Shelby County, Illinois, in Findlay Community High School District No. 190, of Shelby and Moultrie Counties, Illinois for the purpose of voting "for" or "against" the proposition to issue bonds of District No. 190. being the Findlay Community High School District No 190 of Shelby and Moultrie Counties Illinois, to the amount of \$41 500 00 due and payable on August 15th, in the years and amounts as follows:

YEARS	AMOUNT	YEARS	AMOUNT
1935	\$2000 00	1945	\$2000 00
1936	2000 00	1946	200000
1837	200000	1947	2000.00
1938	2000 00	1948	2000.00
1939	2000.00	1949	2000 00
1940	2000 00	1950	2000 00
1941	2000 00	1951	200000
1942	2000.00	1952	2000 00
1943	2000 00	1953	2500.00
1944	20( >=0	1954	3000 00

Which bonds are to bear interest at the rate of 4 per cent per annum, payable semi-annually. The polls will be opened at 7 o'clock A. M., and close at 5 o'clock P. M.

D. PARR, President  
O. E STUMPF, (Clerk)

Buy Spinach and Save

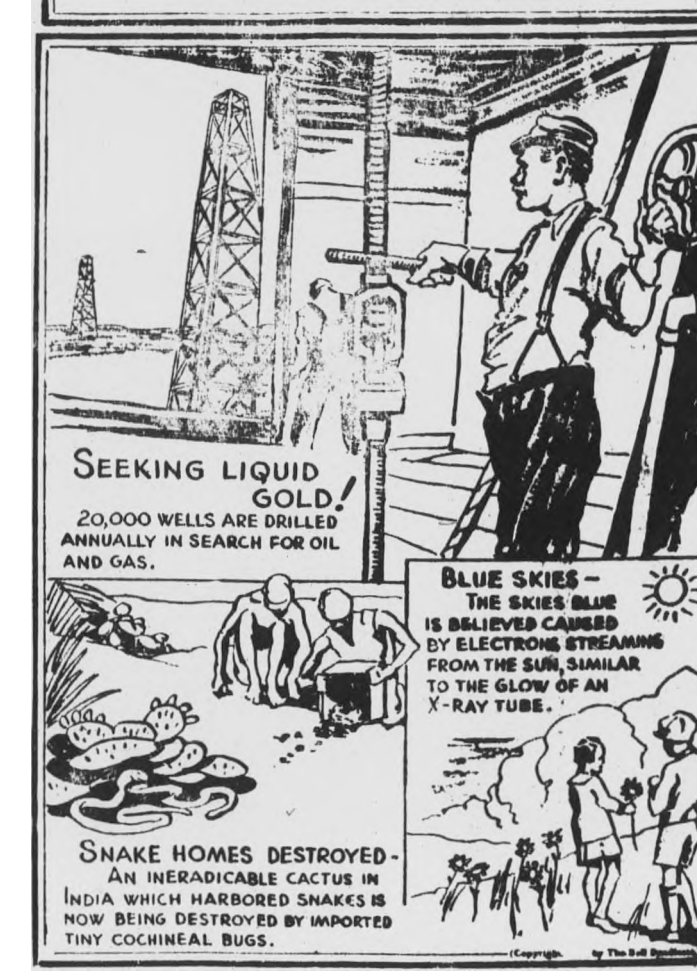

Do you Mke tender green spinach to Rive flavor, color and goodness to poor meals? And do you like to buy it for very little money? Well, here is a tip.  
The low price of canned spinach cannot last very much longer because the acreage planted this year has greatly diminh hod and crop conditions have not been entirely favorable. For this reason dealers are urging their customers to stock their shelves for the winter with this much-wanted vegetable.  
Three Reasons  
Perhaps one of the reasons that canned spinach is a year round favorite is because it is so essential a part of a plate dinner.  
There are several reasons for this —reasons which chefs know, and which should in tercet house wives" First, spinach provides a dietetic Italian for such starchy foods as potatoes and corn. Second, because spinach makes food, usually served in the winter, possible on a sommer time plate. For ex- an! pie, spaghetti and cheese served with smrnach and a slice of hard-cooked egg ls a delicious dish for any month in the year. Italian cooks, long famed for ravioli, know this when they chop spinach tine with meat and seasoning and tuck it away into the dough for ravioli. And third, the tempting green color of spinach add i much to the appearance of a elate dinner.\*

A St.00 D mer for 4

THE sala l is the gipsy of the menu. While the other courses hold rigidly to their conven- tional order of appearance, the salad roams around. : >metimes entering nt, the beginning of din- ner, sometimes as a main dish, and sometimes as .l th sert. In this menu, it comes la -, ending the dinner with serene < harm. And what a dinner this is—con- sidering the fact lliat it serves four people nt a cost of only twenty-five cents apiece!  
Beef Liter with Uiihshwmx IpC " Bathed Brown Potatoes fit- \* Cole Slate Si Bread and Balter Si dinger Peach Salad 28i Dent-Tatie 3\*  
Beef Liver with Mushroom- Cover three-quarters of a pound  
of liver with boiling water. Let stand a minute. Drain. Remove skin and blood vessels. Salt and pepper, and roll in flour. Sauté in bacon drippings till tender. Pannove liver to platter, and to the fat in the skillet add the contents of one 4-ounce can of mush- rooms (sliced) and cook for a few minutes. Add mushroom liquor and a third of a cup of milk, and stir until smooth. Season and Pliur over the liver.  
Linger Peach Salad- Drain half the contents of one No. 2ki can of peach halves and lay them in lettuce leaves on salad plates. Mash one cream cheese, add two tablespoons mayonnaise, and cream together. Crumble three gingersnaps and mix in carefully. Pile this mixture on top of the peaches, and chill. Garnish with mayonnaise.\* \*
