### **School District**

Since the organization of the High Schoo) District, the inspectors trip. from the University of Illinois and also those from the office of the State Superintendent of Public Instruction have insisted that the Board of Education make an effort to secure a suitab e high school

building for the District Although handicapped by an inadequate school building, the ent time, maintained a ACCREDITED and regulaely REC-i OGNIZED four year high school I y for several "yearZ has doing two things: First, employ good side of Passenger Trains 121-122' teachersand keep them for a term with Brakeman Jack Bergen

teache s witji an adequate supply mines ;.t W est Frankfort J. n 1st i of maps, charts, books, iabu.umry ^slie Doris, a student in the equipment and reference material | Jasonville Mute School, spent the so that a type of class room. v.<>,-k Xmas vacation here with his grandcould be done which would to some j fattier, vlr. Leun, who works ai the extent offset the handicap of on CI antiquated building.

school year, ti e Board of Education , .hey w<re quite young, mid their of your district made application to grandparents have reaitd them. the National Government for a grant and loan to assist it in its efforts io ecu re a suitable building for school

This application wa\* favsably pleased to learn that her phy-ici.in considered by the Government and thinks she can come home from a the grant and loan are now availa- Chicago hospital in three weeks ' ble for the district, subject, however, permanently cured to the results of the election to be held on SATURDAY, JANUARY 19, 1935 for the purpose of determining whether or not bonds shall be issued for the purpose of erecting a new Business College next Mondavi building.

In the judgment of both the State Inspectors and the Board of Educaneed for a new building.

It is also the opinion of the Board of Education that it is now possible National Government agrees to with Government aid to supply this make an outright gift of \$16,500 to

In support of the above statements the following facts are submitted for your consideration:

1. The high school district at this 7. time has no school building of its • own, but as you know, is renting the amount of \$41500 The bonds rooms on the second floor of the Findlay Grade School building.

The clerk's records show that from 20 years September 1928 to September 1934 above does not include amounts sell them elsewhere paid for coal, lights and the usual

has increased to such an extent that ing with tije Government's giving the present quarters are now too outright 30 per cent of its cost and porting his mother and sister who small to accommodate the large

The rooms are vesy small, poorly lighted and ventilated with no according to the report of the High SchooUnspectors, this is the only high school building in the State in which they find each room heated

at this time to secure better accommodations, there is serious danger of our high school losing its Accredited Relations with the University of Illinois and its recognition by the being offered. State Superistendent of Public Instruction.

Such a loss would mean much to students of the community.

The bonding power of the hetzà.GiEànt for the Board idertuke a buildf, some such help the National of 7 A. M. and 5 P. M.

# Buy Spinach and Save

nd uhi-Hi

O you Mke tender green spinach to Rive flavor, color and goodness to poor meals? And do you like to buy It for very First, spinach provides a dietetic lialance for such starchy foods as caanot last very much longer be- cause spinach makes food, usually cause the acreage planted this year has greatly dimlnh hod and crop conditions have not been entirely favorable. For this reason served with snrnach and a slice

Three Reasons

Perhaps one of the reasons that dough for ravioli. And third, the canned spinach Is a year round tempting ereen color of spinach favorite Is because It is so essential a part of a plate dinner.

The low price of canned spinach potatoes and corn. Second, bedealers are urging their customers to stock their shelves for dish for any month in the year. the winter with this much-wanted ravioli, know this when they chop spinach tine with meat and seasoning and tuck It away Into the

a elate dinner.\*
